

# i98 V+ Lite

98" Multi-Touch LED Interactive Touchscreen with DraftPen

TRUE  
**4K**<sup>x2K</sup>  
ULTRA HD

True 4k UHD resolution means fine detail, greater texture and an almost photographic smoothness

**Built in Android & integrated Playstore** so you can download your favourite apps

**Intuitive Software** for annotation, presentation & collaborative work

The i98 is huge! Providing impact for your content and a fantastic way to get everyone to interact and collaborate

**Front function buttons and USB ports** Navigate menus and connect devices quickly and easily

**Windows 7 and 10 Compliant** Connect a standard PC or laptop or opt for an integrated Windows PC (see ProPack below)
